

MEGACOM CORP.
APPLICATION FOR INTERNATIONAL SECTION 214 AUTHORIZATION

ATTACHMENT 1

Response to Item 9

Megacom Corp. (“Applicant”) requests streamlined processing pursuant to Section 63.12 of the Commission’s rules. 47 C.F.R. § 63.12. As demonstrated below, Applicant’s foreign carrier affiliate in Peru is not a monopoly provider of telecommunications services and holds less than 50 percent of the international transport and local access markets in Peru. Applicant therefore qualifies for a presumption of non-dominance under Section 63.10(a)(3) of the Commission’s rules. 47 C.F.R. § 63.10(a)(3).

Response to Item 10

Not applicable.

Response to Items 11-12

Section 63.18(i) Information. Applicant hereby certifies that it is affiliated with Compañía Telefonica Andina S.A. (“Compañía”), a foreign carrier authorized to provide telecommunications services in Peru.

Section 63.18(j) Information. By this application, Applicant also certifies that it seeks to provide international telecommunications services to Peru.

Section 63.18(k)-(m) Information. Peru is a Member of the World Trade Organization, and Compañía lacks market power in Peru. Rather, Telefonica del Peru holds the dominant market share for Peru’s local access and international transport markets and is the only carrier in Peru on the Commission’s list of foreign carriers presumed to have market power. For these reasons, Applicant is entitled to non-dominant regulatory treatment on the U.S.-Peru route.

Response to Item 15

Section 63.18(d) Information. Applicant has not previously received authority under Section 214 of the Act.

Section 63.18(e)(4) Information. Not applicable.

Section 63.18(g) Information. Not applicable.
